Dear Camper Parents,

We are looking forward to seeing you and your children at camp this summer! We would ask that you read this letter carefully and please call if you have any questions.

For everyone's health and safety we ask that you return a completed health form and picture of each camper to us prior to camp. This is necessary so we may be better prepared to care for everyone as soon as camp begins. Please complete both sides of the form. (All medicines, including topicals etc. must be turned in to the nurse or director as the camper registers) It will be kept in the camp office and given to the camper as needed and eliminates the possibility of misuse by other campers. These items will be returned at the end of the day or the final day the camper is with us.

WHAT TO WEAR: Clothing for hot weather t-shirts and shorts, shoes and socks must be worn at all times (except when in the pool), conservative swim ware and towels for swimming. Please mark the child's name on all their clothing items.

WHAT NOT TO BRING: CD players, boom boxes, weapons, game boy, cell phones, and clothing with inappropriate wording or symbols or spaghetti strap tops or bare midriff top. Bug spray or sun screen unless something special is needed as we will provide this. Please let your camper know this is a no phone zone. We want this to be a time of disconnecting from electronics to enjoy activities, friendly competition and making new friends.

Please plan to arrive between 8:30a.m. and 9a.m. for camper drop off and registration. Our first bell and flag raising ceremony begins at 9a.m. Weather permitting we will swim daily. A list of daily activities is attached and our flag lowering ceremony will commence at 4:45p.m. with pick up at 5p.m.

Thanks for participating in Camp Discovery at Friendly Hills Camp & Conference Center where you can...
Educate, Entertain, Explore & Enjoy
